Free entry is available for BIPOC Members whenever needed – just say the password 'play' to me on the door.

There is a one-off venue membership fee of £20 which is payable on the door at your first visit. Check your Membership email for the sign-up link. Please see the ID requirements below. *(Please note that I do not make any profit from this and have no control over the cost.)*

### **address:**

This can be found in your Membership email.

### **ID:**

The venue's accepted forms of ID are:

- passport (including out of date ones – within reason)
- driving licence (including provisional)
- Citizen Card

If it is your first time attending the venue and you require new club membership, you will also need to bring proof of address. This can be physical or a letter or image on your phone. If your legal name is your deadname, put your chosen name alongside this in brackets on the venue sign up form. You can also bring your Deed Poll if you have changed your name but haven't updated your ID. Once on file, your deadname will never be referred to again. Your name can be updated at any time.

### **accessibility:**

Regrettably, the venue is not fully wheelchair accessible. There is step-free access to the venue via a gate which our Accessibility Lead will take you to upon arrival at reception. There is a ramp which will enable access to the downstairs play rooms and red dungeon. However: There are no disabled or Changing Places toilets in the venue and every toilet has one step up to it. Steps throughout the venue are as follows:

- 5 steps up from the reception
- 11 steps down to the dancefloor
- 1 step up to the main dancefloor
- 2 steps down to the private playrooms, orgy room and red dungeon
- 12 steep and narrow steps (which can also become slippery) down to the wet area, jacuzzi and second dungeon
- 2 big steps up to the jacuzzi
- 1 step into each individual shower
- 14 steep and narrow steps up to the designated cruising area

**Additionally:**

- All stairs have handrails
- The beds for bottoms in the fuck boxes are on a raised platform
- The beds in some of the other play spaces are on a raised platform
- Many of the play areas are dimly lit
- Music on the dancefloor will be loud but music levels in the play areas are quieter. There is no music playing in the smoking area. Ear defenders and ear plugs will be available
- Standard disco lighting (moving colours) is used on the dancefloor. No strobing is used

**at the venue:**

- Your phone will be stored at reception upon arrival unless you need it for health reasons (i.e. a Libre alarm) – this is to ensure guest anonymity
- There is a free cloakroom at reception and lockers in the wet area. You will need to leave a £10 cash deposit at reception for a locker key
- You can get changed in the toilets, in the communal changing area or in a private booth
- Towels can be provided but these are first come first served so please bring your own where possible
- You are encouraged to bring your own safe sex supplies but condoms (latex in regular and large), lube (sachets) and nitrile gloves will be available on the table near the dancefloor
- Please do not bring your own food or drink into the venue unless you need to for health or dietary reasons. Light snacks are available at the bar but there are no vegan options
- You can fuck and play anywhere in the venue but please be aware of the designated areas for watersports and needle play (see below)
- It is your responsibility to keep play areas and furniture clean and you must clean up after yourselves. If you are engaging in any kind of messy play (i.e. wax or food) you must bring a drop sheet.

**designated areas:**

- **Watersports** can only happen in the smoking area or shower.
- **Needle / blood play** can only happen in the Blue Dungeon or in a private room. Additionally, if you plan to practice needle or blood play it is your responsibility to bring everything you need to be able to do this safely including sharps bins, pads / drop sheets and all necessary disinfection control.
- Although cruising is encouraged in all areas, there is a designated **Cruising Area** for experienced cruisers. If you are not familiar with cruising, educate yourself before entering. The rules in this area are:
  1. Initiation should be done with eye contact and touching
  2. Conversations should be minimal
  3. If you are fucking, people can stand and watch (and wank)

Do not go into that area alone and linger if you are not okay with this. You can still go and fuck in there with a partner(s) if you want to

### **traffic light wristbands:**

You can pick up a wristband from the table near the entrance to the dancefloor. You are welcome to change your wristband over the course of the event.

- **GREEN** = Down To Fuck. Direct play requests with minimal chat welcome.
- **YELLOW** = Open to chat. Open to play with the right person.
- **RED** = Not here to play. Do not approach. I may approach you if I feel comfortable.

### **house safewords:**

- **GREEN = ALL GOOD**. Keep going – Check again later.
- **YELLOW = SOMETHING IS WRONG**. Pause – Adjust – Continue.
- **RED = STOP**. This isn't okay anymore – Stop – Repair – Aftercare – Talk.

It is the responsibility of the Top / Dom to check in throughout play. You should also check in with yourself and ask “am I okay with this?”.

### **social time:**

Many people socialise in the smoking area from 3pm and it's a great way for newbies to ease themselves into the day. A steward will be on hand to usher people into groups if needed and there is an icebreaker prompt sheet available to help inspire discussion. You might just meet your perfect play partner here!

If you have any questions please ask Owain or a steward (identified by a yellow armband) on the day.

**Attendees are advised to refresh their knowledge of the House Rules before each party.**
